Option #7

Salmon Fishing Charter

Sit back and relax while your experienced guide takes you to some of their favorite fishing holes in a 24' or 27' inboard jet boat on the untamed Alaskan waters. This boat is equipped with overhead canopies to protect you from the weather. The boat cruising speed is approximately 35 mph and the boat requires only 8 inches of water to operate. This allows access to areas that are seldom fished and offers some of the best fishing around. These fishing grounds are located at the confluence of the Talkeetna River and Susitna River. The Talkeetna River is part of the Susitna Rivers' drainage system, which boasts the second largest run of migrating fish in the world. You will be introduced to some of the finest stream fishing in the state of Alaska. From this location you will have access to over 200 miles of prime fishing territory. Perfect for the avid angler. Your knowledgeable guide will determine what you will fish for (Rainbow Trout, Dolly Varden and Arctic Grayling) depending on how the fish have been migrating.

Tour Includes: Round Trip Transfers, 8-Hour Fully Guided Charter, Fishing Gear and Logistics Staff Coordination.
